## K CAMP

Since a youngin' all I wanted was the guap  
What that is on your side, that's a glock  
If that n---- on his shit give him props  
While lil shawty keep on playin' with that box  
Treat this shit like my dreads, it's on lock  
Man I think I should turn another notch  
Can this n---- put this dick in your crotch
