## Jefferson Starship

If only you believe like I believe, baby (If only you believe like I believe)  
    We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
    So would I  
If only you believe like I believe, baby (If only you believe like I believe)  
    We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
    So would I might have to move heaven and earth  
    To prove it to you, baby (Baby)  
    So we're makin' love  
    And you feel the power  
    And I feel the power  
    Then there's really nothing we can't do  
    (You know we could, you know we could)  
    If we wanted to, baby  
    (You know we could, you know we could)  
    We could exist on the stars  
    It'd be so easy  
    Now, baby  
All we gotta do (Baby, baby, baby, oh, baby)  
    Is get a little faith in you (Baby, baby)  
    Oh, I've been so many places  
    I've seen some things (Yes, I have)  
    I know love is the answer (Yes, it is)  
    Keeps holding this world together, yeah  
    Ain't nothing better  
    Ain't nothing better (Nothing's better)  
    And all the answers to our prayers  
Hell, it's the same everywhere, baby (Just the same now)  
    Nothing ever breaks up the heart (Love's a game now)  
    Only tears give you away (Ain't it a shame now?)  
    Then you're right where I found ya (Oh, baby)  
    With my arms around ya (Oh, baby)  
    O-o-o-o-o-oh, baby  
    Baby, baby  
    Love is a magic word, ooh, yeah (Baby)  
    Few ever find in a lifetime  
    But from that very first look in your eyes  
    I knew you and I had but one heart (Baby)  
Only our bodies were apart (It's making me crazy)  
    That was so easy (Baby)  
    So easy (Oh, baby)

I had a taste of the real world (Didn't waste a drop of it)  
When I went down on you, girl (Oh, if only you believe like I believe, baby (If only you believe  
like I believe)  
We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
So would I  
If only you believe like I believe, baby (If only you believe like I believe)  
We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
So would I  
I can hear windmills and rainbows  
Whenever you're talkin' to me (Never say never)  
I feel like swirling and dancin'  
Whenever you're walking with me (Whenever you're walking with me)  
You ripple like a river when I touch you (Let me touch you)  
When I pluck your body like a string (Show you what I mean)  
When I start dancin' inside ya (Oh, baby)  
You make me wanna sing (I love you so)  
Yeah (I love you so)  
Baby (I love you so)  
Baby (I love you so)  
Baby (I love you so)  
Baby (Oh) Oh, yeah (Oh, yeah)  
All right (All right)  
Baby, we're sure doin' it tonight (Baby, we're sure doin' it)  
Every time you come by, let me try (Come on by)  
Pretty please with sugar on it  
That's how I like it, ooh  
I can't even believe it with you  
It's like having every dream I ever wanted come true (Dream of a lifetime)  
I picked up your vibes  
You know, it opened my eyes (Dream of a lifetime)  
But I'm still dreamin', yeah (Hey, hey, hey, hey, hey, oh)  
And you're right where I found ya (Oh, baby)  
With my arms around ya (Oh, baby) Oh, if only you believe like I believe, baby (If only you  
believe like I believe)  
We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
So would I  
If only you believe like I believe, baby (If only you believe like I believe)  
We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
So would I  
So would I  
So would I  
Oh, if only you believe like I believe, baby (If only you believe like I believe)  
We'd get by  
If only you believe in miracles, baby (If only you believe in miracles)  
So would I  
If only you believe like I believe, baby (If only you believe like I believe)  
We'd get by

If only you believe in miracles, baby (If only you believe in miracles)  
So would I
