

Here It Is

Das EFX

Yeah, here it is, do it like this
Comin' from the sewer, yeah, you know we never miss
Here it is, do it like this
Comin' from the sewer, yeah, you know we never missHere it is, do it like this
Comin' from the sewer, yeah, you know we never miss
Here it is, do it like this
Comin' from the sewer, yeah, you know we never missHere it is, back up in the scene
Here to make the green and niggaz out there know just what I mean
I ride the beat like a jockey, short and stocky
I'm never sloppy, the honeys wanna clock and knock meIt don't shock me, I see it all the time
Get a little fame and now a nigga look as fine as wine
I know the game because I study, me and my buddy
Ain't nuttin' funny, niggaz know the sewer style is nutty
Give me the money 'cuz I'm tryin' to make a million
Rollin' with my clique and yo we dick like a Sicilian
I bring the drama for the masses, whippin' niggaz asses
So get ya glasses time for classesI take my chances, I gotta go for broke
So knocka don't provoke, just chill and roll a smoke
It ain't no joke, I know you recognize the sound
It's diggity Das EFX and this is how we goin' downHere it is, do it like this
Comin' from the sewer, yeah, you know we never miss
Here it is, do it like this
Comin' from the sewer, yeah, you know we never missHere it is, do it like this
Comin' from the sewer, yeah, you know we never miss
Here it is, do it like this
Comin' from the sewer, yeah, you know we never miss
Dollar dollar dollar, place your bets across the table
One mo' time 'cuz it's show time without the cable
Holdin' down the spot and any whack penetrators
Is fallin' to the flames of my rap incineratorsI'm afraid, I got some bad news for crews
By the twos son it's hard like booze, so don't snooze
I'm throwin' jabs, hooks and uppercuts to your face, yeah
Hittin' you with the perfect combination like StacieThat is sure I be the jibber jabber jour, I'm
gettin' perilous
The skunk derelict ghetto lyrical specialist
Say yes, it's thick, the restless clique
From PMD to fool with the Lexus whipNow true indeed a few MC's, they just don't know what
they doin'
'Cuz when I smoke the blunt, nigga they had the blunt canoein'
So yo, now I gotta dis 'cuz niggaz piss me off
The way that y'all be rhymin' if you want step up like Doggie DiamondHere it is, do it like this
Comin' from the sewer, yeah, you know we never miss

 Here it is, do it like this
 Comin' from the sewer, yeah, you know we never miss
 Here it is, do it like this
 Comin' from the sewer, yeah, you know we never miss
 Crazy trazy, holding down the block
 I rigged rock the miggedy microphone nonstop
 You bitin' rappaz better exit 'cuz when I flex it
 You won't neglect it 'cuz when you fuckin' least expect it
 Kid, I wreck shit, bring it from the sewer
 Miggedy mic check can't forget the one two-a
 The incredible man of the season
 Here's the reason its the rhymes I'm releasing
 It ain't no thing that's how we do it nowadays
 Bring it from the sewer, wreck shit and then we sways
 Another day another buck-fuck, what nigger please
 I'm overdue wit' these foes, niggaz I'm bustin' out ya toes to get ya dancin'
 Son, I even got my crew makin' hits like Charles Manson
 Kids nappin', can't forget the ransom, I'm not so handsome
 So when I pickup my pen my temper tantrum overcome it like voodoo
 And I'm rougher than bruise you, sharp like cold crystal
 Yo, my niggaz told I stal?
 I don't eat the beef, pork or the goat tissue
 Black I blast a missile penetratin' through ya radar
 Hey star, ya style's horrible like fuckin' Haggar
 Hip hip hooray-K, a the eye swella
 The one who be hittin' the bitches blue black to high yella
 It's the boogie banga
 Better yet the banger of the boogie, a black champion like my hoodie
 Here it is, do it like this
 Comin' from the sewer, yeah, you know we never miss
 Here it is, do it like this
 Comin' from the sewer, yeah, you know we never miss
 Here it is, do it like this
 Comin' from the sewer, yeah, you know we never miss
 Here it is, do it like this
 Comin' from the sewer, yeah, you know we never miss
