

# Here It Is

## Das EFX

Yeah, here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss  
Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss  
Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss Here it is, back up in the scene  
Here to make the green and niggaz out there know just what I mean  
I ride the beat like a jockey, short and stocky  
I'm never sloppy, the honeys wanna clock and knock me It don't shock me, I see it all the time  
Get a little fame and now a nigga look as fine as wine  
I know the game because I study, me and my buddy  
Ain't nuttin' funny, niggaz know the sewer style is nutty  
Give me the money 'cuz I'm tryin' to make a million  
Rollin' with my clique and yo we dick like a Sicilian  
I bring the drama for the masses, whippin' niggaz asses  
So get ya glasses time for classes I take my chances, I gots to go for broke  
So knocka don't provoke, just chill and roll a smoke  
It ain't no joke, I know you recognize the sound  
It's diggity Das EFX and this is how we goin' down Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss  
Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss  
Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss  
Dollar dollar dollar, place your bets across the table  
One mo' time 'cuz it's show time without the cable  
Holdin' down the spot and any whack penetrators  
Is fallin' to the flames of my rap incinerators I'm afraid, I got some bad news for crews  
By the twos son it's hard like booze, so don't snooze  
I'm throwin' jabs, hooks and uppercuts to your face, yeah  
Hittin' you with the perfect combination like Stacie That is sure I be the jibber jabber jour, I'm  
gettin' perilous  
The skunk derelict ghetto lyrical specialist  
Say yes, it's thick, the restless clique  
From PMD to fool with the Lexus whip Now true indeed a few MC's, they just don't know what  
they doin'  
'Cuz when I smoke the blunt, nigga they had the blunt canoein'  
So yo, now I gotta dis 'cuz niggaz piss me off  
The way that y'all be rhymin' if you want step up like Doggie Diamond Here it is, do it like this  
Comin' from the sewer, yeah, you know we never miss

Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Crazy trazy, holding down the block  
 I rigged rock the miggedy microphone nonstop  
 You bitin' rappaz better exit 'cuz when I flex it  
 You won't neglect it 'cuz when you fuckin' least expect it  
 Kid, I wreck shit, bring it from the  
 sewer  
 Miggedy mic check can't forget the one two-a  
 The incredible man of the season  
 Here's the reason its the rhymes I'm releasing  
 It ain't no thing that's how we do it nowadays  
 Bring it from the sewer, wreck shit and then we sways  
 Another day another buck-fuck, what nigger please  
 I'm overdue wit' these foes, niggaz I'm bustin' out ya toes to get ya dancin'  
 Son, I even got my  
 crew makin' hits like Charles Manson  
 Kids nappin', can't forget the ransom, I'm not so handsome  
 So when I pickup my pen my temper tantrum overcome it like voodoo  
 And I'm rougher than bruise you, sharp like cold crystal  
 Yo, my niggaz told I stal?  
 I don't eat the beef, pork or the goat tissue  
 Black I blast a missile penetratin' through ya radar  
 Hey star, ya style's horrible like fuckin' Haggar  
 Hip hip hooray-K, a the eye swella  
 The one who be hittin' the bitches blue black to high yella  
 It's the boogie banga  
 Better yet the banger of the boogie, a black champion like my hoodie  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss  
 Here it is, do it like this  
 Comin' from the sewer, yeah, you know we never miss
