

# The Angels Cried

Alan Jackson & Alison Krauss

They came from near, they came from far  
Following a distant star to where he'd lay  
Not being sure of what it meant  
But knowing it was heaven sent, they made their way  
And the creatures gathered round  
And didn't make a sound and the angels cried  
The angels knew what was to come  
The reason God had sent His Son from up above  
It filled their hearts with joy to see  
And knowing of His destiny, came tears of love  
And the creatures gathered round  
And didn't make a sound and the angels cried  
I've often thought about that night  
And wondered if they realized that star so bright  
Was sent to tell all the land  
The Son of God would soon become the Son of Man  
And the creatures gathered round  
And didn't make a sound and the angels cried  
And the angels cried  
And the angels cried
