

Demons

Anthem Lights

When the days are cold, and the cards all fold
And the saints we see are all made of gold
When you dreams all fail and the ones we hail are the worst of all
And the bloods run stale
I wanna hide the truth, I wanna shelter you
But with the beast inside
There's nowhere we can hide
Don't matter what we breed
We still are made of greed
This is my kingdom come
This is my kingdom come
When you feel my heat, look into my eyes
It's where my demons hide
It's where my demons hide
Don't get too close
It's dark inside
It's where my demons hide
It's where my demons hide
At the curtain's call, it's the last of all
When the lights fade out all the sinners crawl
So they dug your grave in the masquerade
Will come calling out at the mess you've made Don't wanna let you down, but I am hell-
bound Oh, this is all for you
Don't wanna hide the truth
No matter what we breed
We still are made of greed
This is my kingdom come
This is my kingdom come
When you feel my heat, look into my eyes
It's where my demons hide
It's where my demons hide
Don't get too close
It's dark inside
It's where my demons hide
It's where my demons hide
They say it's what you make
I say it's up to fate It's woven in my soul
I need to let you go
Your eyes, they shine so bright
I wanna save that light
I can't escape this now Unless you show me how
When you feel my heat, look into my eyes

It's where my demons hideIt's where my demons hide
Don't get too close
It's dark inside
It's where my demons hideIt's where my demons hide
When you feel my heat, look into my eyes
It's where my demons hide
It's where my demons hide
Don't get too close
It's dark inside
It's where my demons hide
It's where my demons hide
