

# Demons

## Anthem Lights

When the days are cold, and the cards all fold  
And the saints we see are all made of gold  
When you dreams all fail and the ones we hail are the worst of all  
And the bloods run stale  
I wanna hide the truth, I wanna shelter you  
But with the beast inside  
There's nowhere we can hide  
Don't matter what we breed  
We still are made of greed  
This is my kingdom come  
This is my kingdom come  
When you feel my heat, look into my eyes  
It's where my demons hide  
It's where my demons hide  
Don't get too close  
It's dark inside  
It's where my demons hide  
It's where my demons hide  
At the curtain's call, it's the last of all  
When the lights fade out all the sinners crawl  
So they dug your grave in the masquerade  
Will come calling out at the mess you've made Don't wanna let you down, but I am hell-  
bound Oh, this is all for you  
Don't wanna hide the truth  
No matter what we breed  
We still are made of greed  
This is my kingdom come  
This is my kingdom come  
When you feel my heat, look into my eyes  
It's where my demons hide  
It's where my demons hide  
Don't get too close  
It's dark inside  
It's where my demons hide  
It's where my demons hide  
They say it's what you make  
I say it's up to fate It's woven in my soul  
I need to let you go  
Your eyes, they shine so bright  
I wanna save that light  
I can't escape this now Unless you show me how  
When you feel my heat, look into my eyes

It's where my demons hideIt's where my demons hide  
Don't get too close  
It's dark inside  
It's where my demons hideIt's where my demons hide  
When you feel my heat, look into my eyes  
It's where my demons hide  
It's where my demons hide  
Don't get too close  
It's dark inside  
It's where my demons hide  
It's where my demons hide
