

Just a Stranger (feat. Steve Lacy)

Kali Uchis

Dollar bills
Dollar bills
Dollar bills
Dollar bill
Dollar bills
Dollar bill She wants my hundred dollar bills
She don't want love
She wants my hundred dollar bills
She don't want love
She wants my hundreds
Oh, she wants my hundreds
She's a hurricane
Feel the earth shake
If the devil was asleep, she'd knock him wide awake
And if you were her, you'd never know
I think you'd do it too
But if it takes one to know one, you must not have a clue
So, c'mon
Baby, I don't ever judge
Just wanna have a little fun
(Yeah, c'mon)
No, I won't be here for long
Some will say I'm on the run Go and say what you want
You are just a stranger
Watching from the bleachers
'Cause you can't take the danger
She wants my hundred dollar bills
She don't want love
She wants my hundred dollar bills
She don't want love
She wants my hundreds
She only want if it's fun and she want it when she want it
She wants my hundreds
She only want if it's hundreds and she want it in abundance No, you never knew me then
And you'll never know me now
When bellies are hungry
But there ain't no money you get it and don't care how
Be the one that everyone likes, just approval 'til they die
I'm the one they love to hate
I'm the one who will survive Go and say what you want
You are just a stranger
Watching from the bleachers

'Cause you can't take the danger
She wants my hundred dollar bills
She don't want love
She wants my hundred dollar bills
She don't want love
She wants my hundreds
She only want if it's fun and she want it when she want it
She wants my hundreds
She only want if it's hundreds and she want it in abundance
She wants my hundred dollar bills
She don't want love
She wants my hundred dollar bills
She don't want love
She wants my hundreds
She only want if it's fun and she want it when she want it
She wants my hundreds
She only want if it's hundreds and she want it in abundance
Dollar bills
Dollar bill
Dollar bills
Dollar bill
Dollar bills
Dollar bill
Dollar bills
