

Five More Minutes

Jonas Brothers

[Chorus: Nick Jonas]

Give me five more minutes
Baby, I'm not finished loving you
I don't wanna end it when we're only just beginning
Give me five more minutes
Aw yeah [Verse 1: Nick Jonas]
Right now, you just look too good to me (Mmm)
I cannot fathom letting you leave
You've got important places to be (Mmm-mmm)
Just please, not yet
Please, not yet

[Chorus: Joe Jonas]

Give me five more minutes (Yeah)
Baby, I'm not finished loving you
I don't wanna end it when we're only just beginning
Give me five more minutes
Ooh yeah, ooh [Verse 2: Joe Jonas]
(Wait)
Do you think you could just wait a while? (Mmm-mmm)
I think I could make it worth your while (Mmm-mmm)
I know that bein' late ain't your style
But, please say, "Yes"
Please say, "Yes"

[Chorus: Joe Jonas & Nick Jonas]

Give me five more minutes (Hey, yeah baby)
Baby, I'm not finished loving you
I don't wanna end it when we're only just beginning
Give me five more minutes (Just five more)
Aw yeah
(Come on) Ooh [Bridge: Joe Jonas]
Please say, "Yes"
Please say, "Yes"
Please say, "Yes, yes, yes" (Oh)
Please say, "Yes"
Please say

Please say, "Yes" [Chorus: Joe Jonas]

Give me five more minutes
Five more minutes holding you
Baby, I'm not finished and we're only just beginning
Give me five more minutes
