

# Into the Fire

## Asking Alexandria

Take them all back  
Take them all back  
Take them all back I'm not too sure what I'm supposed to do with this  
These hands, this mind, this instability  
Forget I created, to how it ever made  
Can't let go of the hatred cause I love the way it tastes Take them all back I wouldn't take back a  
moment  
Not one miserable moment  
I give it all to lose nothing  
I walk into the fire  
Into the fire  
I walk into the fire  
Into the fire  
Into the fire  
I've come to terms with the fact I'll never change  
And that's just fine, find solace in the pain  
I'm dull and in darkness, it's easy on the eyes  
I'm praying for something to make me feel alive I wouldn't take back a moment  
Not one miserable moment  
I give it all to lose nothing  
I walk into the fire  
Into the fire  
I walk into the fire  
Into the fire  
Into the fire  
The power took my fame  
Now just have to go this time  
Now just have to go off my memory  
I'm the end of the world  
There are no others  
The only one out of my mind  
Fuck it I'm done  
When I'm gone  
I am gone I wouldn't take back a moment  
I walk into the fire  
Into the fire  
I walk into the fire  
Into the fire  
Into the fire  
Fire Take them all back
