## Fear Factory

Descent...  
Descent...Falling victim from neglect  
Designed thoughts and intellect  
Forgotten and displaced  
The crux of my dismayI feel nothing  
I am nothing  
I feel nothing  
NothingHow deep I descend?  
Until I reach my end?  
How deep I descend?  
How deep I descend?  
Until I reach my end?  
How deep I descend?Deeper into this abyss  
Weighted down and sinking fast  
Life did not offer me  
More than false destinyI feel nothing  
I am nothing  
I feel nothing  
NothingHow deep I descend?  
Until I reach my end?  
How deep I descend?How deep I descend?  
Until I reach my end?  
How deep I descend?  
I am nothing  
I feel nothing  
I am nothing  
I feel nothing  
Nothing  
Nothing  
Nothing  
Nothing...How deep I descend?  
Until I reach my end?  
How deep I descend?How deep I descend?  
Until I reach my end?  
How deep I descend?How deep I descend?  
How deep I descend?  
How deep I descend?  
How deep I descend?
