

# No One Else Like You

Adam Levine

Is everything just right  
Don't want you think that I'm in a hurry  
I won't stay afraid  
I had this vision that is got me worried 'Cause everyone wants someone  
is one clique that's true  
Except you I want no one  
Unless that someone's you It looks like you  
Feels like you  
Smiles like you  
I want someone just like you  
True and thought  
Forever blue  
because there's no one else like  
I hope that you're not bad  
You always said you wanna a man that match you  
I'm not the one is left  
there's more than like a physical rejection You got no special someone  
between you and me that's true  
we're standing all up waiting  
for someone just you It looks like you  
Feels like you  
Smiles like you  
I need someone just like you  
love me true  
Forever blue  
because there's no one else like  
I want you in my heart  
I See you in my dream  
I know I make you mad  
as crazy as ever seen  
Just you I need t someone just like you  
love me true  
Forever blue  
because there's no one else  
there's no one else  
there's no one else  
there's no one else  
there's no one else  
there's no one else 'Cause you're so far  
you're so far 'Cause you're so far  
you're so far 'Cause you're so far

'Cause you're so far  
'Cause you're so far  
you're so far  
you're so far  
you're so far...
