

93 Million Miles

Thirty Seconds to Mars

Where does your garden grow?
Tell me the secrets that you know
Another time, another place
Where are the holy ones?
Selling the secret to the sun
Welcome to the Universe
Cross the line
Redefine
Lose your mind
Come crawl insideHey, hey
What've you got?
Doesn't matter to me 'cause I don't want them
I'm not the only one
The unified divide
Among and then deny
Now could you kindly cut to the chase?
It's like some other song
Pretty but something's always wrong
Show me a secret Mason signCross the line
Redefine
Lose your mind
Come crawl insideHey, hey
What've you got?
Doesn't matter to me 'cause I don't want them
I'm not the only oneHey, hey
What've you got?
Doesn't matter to me 'cause I don't want them
I'm not the only one
See
It's in your eyes
Come break me down
Come break meHey, hey
What've you got?
Doesn't matter to me 'cause I don't want them
I'm not the only oneHey, hey
What've you got?
Doesn't matter to me 'cause I don't want them
I'm not the only oneHey
What've you got?
