

# Feels Like Summer

## Childish Gambino

You can feel it in the streets  
On a day like this, the heat  
It feel like summer  
I feel like summer  
I feel like summer  
You can feel it in the streets  
On a day like this, the heat  
I feel like summer  
She feel like summer  
This feel like summer  
I feel like summer  
Seven billion souls that move around the sun  
Rolling faster, faster and not a chance to slow down  
Slow down  
Men who made machines that want what they decide  
They're just tryna tell the children please slow down  
Slow down  
I know  
Oh, I know you know that pain  
I'm hopin' that this world will change  
But it just seems the same  
(It is not the same)  
You can feel it in the streets  
On a day like this, the heat  
It feels like summer  
I feel like summer  
I feel like summer  
You can feel it in the streets  
On a day like this, that heat  
I feel like summer  
(I feel like summer)  
I feel like summer  
(I feel like summer)  
Every day gets hotter than the one before  
Running out of water, it's about to go down  
Go down  
Air that kill the bees that we depend upon  
Birds were made for singing  
Waking up to no sound  
No sound  
I know  
Oh, I know you know my pain  
I'm hopin' that this world will change  
But it just seems the same  
I know

Oh, I hope we change  
I really thought this world would change  
But it seems like the same I know  
Oh, my mind is still the same  
I'm hoping that this world will change  
But it just seems the same  
I know

Oh, I hope we change
