

Heal

Tom Odell

Take my mind
and take my pain
like an empty bottle takes the rain
and heal, heal, heal, heal
And take my past
and take my sense
like an empty sail takes the wind
and heal, heal, heal, heal
And tell me some things last
and tell me some things last
Take a heart
and take a hand
like an ocean takes the dirty sand
and heal, heal, hell, heal
Take my mind
and take my pain
like an empty bottle takes the rain
and heal, heal, hell, heal
And tell me some things last
and tell me some things last
and tell me some things last
and tell me some things last
