

Can We Kiss Forever? (feat. Adriana Proenza)

Kina

I tried to reach you, I can't hide
How strong's the feeling when we dive
Across the ocean of my mind My wounds are healing with the salt All my senses intensify
Whenever you and I, we dive
Across the ocean of my mind
But in the end I drown, you pushed me down down (You pushed me down, down)
(You pushed me down, down)
(You pushed me down, down)
(You pushed me down, down)
All this shame
When you called my name
I felt pain
When you came
