## Toad the Wet Sprocket

Well I wonder, do we learn?  
Seems we're making the same wrong turns  
Call you sacred, call you obscene  
Call you faithless, call you anything Call and you listen  
Listen (x3) I'm a liar, so it seems  
My desire could justify anything  
So is there nothing that lies in between  
This cold silence and a scream? Scream, listen  
Listen (x3) Caught in headlines  
We are frozen and cannot hide  
There's no break, no time  
If you can, I might  
Call and you listen  
Listen (x7)
