

# Love On a Two Way Street

Boz Scaggs

I found love on a two way street  
And lost it on a lonely highway  
Love on a two way street  
And lost it on a lonely highway  
True love will never die  
So I've been told  
But mama's crying  
And it's finally goodbye, I know  
With music softly played  
Her lips will generally say I love you  
She held me in desperation  
I thought it was a revelation  
Then she walked out  
How could I be so blind?  
To give my love for the very first time  
To be fooled is a hurting thing  
While I barely blink  
How should I've smiled and wave?  
With music softly played  
Her lips will generally say honey, I love you  
She held me in desperation  
I thought it was a revelation  
Then she walked out  
I found love on a two way street  
And lost it on a lonely highway  
Love on a two way street  
And lost it on a lonely highway  
Love on a two way street  
And lost it on a lonely highway  
Bye, bye baby  
Bye, bye baby  
I lost you
