

Sweet Memory

[Melody Gardot](#)

Sweet Memory
Talking bout a sweet memory
It goes round and round in my head
Pretty soon I'll want the real thing instead
But for now I got this sweet memory
Sunny day Sunny day
Not a cloud crosses the sky
Not a tear comes to my eye
On this sunny day
Sweet Memory
Talking bout a sweet memory
It goes round and round in my head
Pretty soon I'll want the real thing instead
But for now I got this sweet memory
Sweet Memory
Sweet Memory
