

# Jackhammer

## Anvil

Slip away out the back door  
Get away from the scenery score  
In the car you're ready to move  
In the backseat you start to groove  
Right turn left turn got the boys in both hands  
Playin in stereo like you do with most bands  
Unlocking the door  
I can tell you can't wait  
Seekin power rockin  
Girl you love to vibrate  
Can't get to sleep 'cause I hear you squealin  
Like a stuck little pig you love the feelin  
I wish you'd shut up 'cause I'm tryin to sleep  
I'm gonna gag you gonna push it down deep  
Running out of breath  
You're chokin fast  
You begin to sputter  
You're not gonna last  
Jackhammer pounding your pile  
Jackhammer you're gonna cream  
Jackhammer that's your style  
Jackhammer you're gonna scream  
There you go again with your dirty little mind  
Trying to turn me on won't happen this time  
Hangin around and that won't do  
Nothing on my mind but gettin rid of you  
Time for you to leave  
Can't take no more  
Just wanna see you  
Walking out the door
