

Jackhammer

Anvil

Slip away out the back door
Get away from the scenery score
In the car you're ready to move
In the backseat you start to groove
Right turn left turn got the boys in both hands
Playin in stereo like you do with most bands
Unlocking the door
I can tell you can't wait
Seekin power rockin
Girl you love to vibrate
Can't get to sleep 'cause I hear you squealin
Like a stuck little pig you love the feelin
I wish you'd shut up 'cause I'm tryin to sleep
I'm gonna gag you gonna push it down deep
Running out of breath
You're chokin fast
You begin to sputter
You're not gonna last
Jackhammer pounding your pile
Jackhammer you're gonna cream
Jackhammer that's your style
Jackhammer you're gonna scream
There you go again with your dirty little mind
Trying to turn me on won't happen this time
Hangin around and that won't do
Nothing on my mind but gettin rid of you
Time for you to leave
Can't take no more
Just wanna see you
Walking out the door
