

# That Girl

Marques Houston

"Yow, can I talk to you for a minute?  
Look, all I did was look,  
Why you trippin'?  
Look, check this out,  
Check it  
Baby look I'm tired of trying  
To convince you that I ain't caught up lying  
When she walked passed me I looked,  
so what? Big deal'  
I don't understand how that  
Can make you feel,  
that my love ain't for real  
Every day I thank  
The Lord above  
That you're with me,  
You're with me  
Tell me why would I throw that away?  
Why would I throw that away?  
How can I do it through  
This is where I wanna be  
Yeah  
So I may look occasionally  
You're the only one I need If I wanted That girl,  
Then I would be with That girl  
That one ain't for me  
She's fine as hell but she'll always be That girl  
Nothing more than That girl  
No matter what she do,  
She don't compare to you  
What you yellin for  
Why you screamin'  
Girl you act as if you just caught me cheating  
When you look at other men,  
And don't act like you don't  
I don't tripp because I know  
That I'm the guy you come home to every night Everyday i thank  
the Lord above,  
That you're with me,  
That you're with me  
Tell me why would I throw that away?  
Why would I throw that away?  
What can I do to prove that

This is where I wanna be  
Yeah  
So I may look occasionally  
You're the only one I need  
If I wanted That girl,  
Then I would be with That girl  
But that one ain't for me  
She fine hell but she'll always be That girl  
Nothing more than That girl  
No matter what she do,  
She don't compare to you  
yeahcheck itI,  
Know I  
Need you,  
Right here with me  
Oh I  
know I  
Need you,  
No other girl will do  
Cause I  
need you,  
Right here  
with me,  
Oh I  
Need youWhoowthat girl  
Then I would be with'that girl  
but that one aint for me.  
She's fine as hell but,  
she'll always be'that girl  
Nothing more than that girl  
No matter what she do,  
She don't compare to you  
Yeah  
If I wanted That girl  
I would be with'that girl  
But that one ain't for me.  
She's fine as hell but, she'll always be'that girl  
Nothing more than that girl  
No matter what she do,  
She just can't be you,  
Baby  
"
