## Ciara

All I wanna say... Girl I wanna say... I'm saying that I'm sorry...Ooh ooh, ooh, oohAugust 4th, we were chilling at the house Said I'm done, I told you to get out Didn't mean a word that I said Cause I was hoping you would come backCause I tried and tried And I cried and cried Up late at night and I hurt And I tried to fight and I cried to god Oh please let it just work And I'm going crazy with you You got me so confused Cause you walked away, and I walked away And we should've stayed baby All you have to do is say that I'm sorry Baby I'm sorry And I'm in love with you Baby I want this, baby I want this Say baby I'll do what it takes And I will be here all the way baby All you have to do is say that I'm sorry Baby I'm sorryYou wanna know if I was moving on without you I miss you, miss you, miss you, I miss you To tell the truth i've thinking bout you lately I miss you, miss you, miss you, I miss youChristmas day, you said you had a ring But you changed your mind Too caught up in the streets Boy your truth is hard to believe Why are you really scared of me Cause I tried and tried And I cried and cried Up late at night and I hurt Cause I put in mine, I worked all the time And you never put in your work And I'm going crazy with you You got me so confused Cause you walked away, and I walked away And we should've stayed baby All you have to do is say that I'm sorryBaby I'm sorry And I'm in love with you Baby I want this, baby I want this Say baby i'll do what it takesAnd I will be here all the way baby

All you have to do is say that I'm sorry Baby I'm sorry You wanna know if I was moving on without youI miss you, miss you, miss you, I miss you To tell the truth i've thinking bout you lately I miss you, miss you, miss you, I miss you I miss the way you hold meThe way you touch me I miss the way you kiss me yeah All you have to do is say that I'm sorryBaby I'm sorry And I'm in love with you Baby I want this, baby I want this Say baby i'll do what it takes And I will be here all the way baby All you have to do is say that I'm sorry Baby I'm sorry You know I think about you sometimes I wonder how you are Are you happy You see I know What we had was special And I know you know it too I miss you I really miss you...
