

# Make Me a Believer (feat. Mac Powell)

Andy Mineo

Why is it so hard to love you?  
Why is it so hard to love you?  
You make it easy, but I make it hard  
Oh my God  
You take the blame when I don't deserve it, no, no  
I break your heart, then I do it again, do it again  
You give me patience when I keep you waitin'  
I don't know why you call me your favorite, oh Are we for real or not? (tell me, tell me)  
For real or not? (tell me, tell me)  
Are we for real or not, I gotta know  
(Tell me, tell me) You're givin' me all you have  
You saw me without my mask  
But I can't change my past  
So can you promise this gon' last  
Make me a believer  
Cause all I've ever seen is pain  
Make me a believer  
Promise me I'm not the same  
Make me a believer They tell me seein' is believin'  
But all ever saw was the schemin'  
All I ever saw was the people that I loved  
They was gettin' up and leaving, throwin' peace signs  
What's up, what's up, aye  
What's up lately?  
How did you love me?  
You stayed when I went buggin'  
You stayed  
It's messin' with my head now, it's messin' with my head  
Why you haven't left now?  
I still can't guess, tell me  
Are we for real or not? (tell me, tell me)  
For real or not? (tell me, tell me)  
Are we for real or not, I gotta know  
(Tell me, tell me) You're givin' me all you have  
You saw me without my mask  
But I can't change my past  
So can you promise this gon' last Make me a believer  
Cause all I've ever seen is pain  
Make me a believer  
Promise me I'm not the same  
Make me a believer Oh, oh, oh, oh, oh-oh, oh-oh
