And with my peers I'm comin' up
Fools talk real loud but don't run up
When we come through they'll run'n'duck
We still right here so what the fuck

From the concrete when they chalkin' that shit
And there he goes in a bitch pose and a throw back
Holdin' a gat ain't gonna bust and know that

And we don't fuck with niggas in khaki g-strings

 We still right here so what the fuck

 It's a Gangsta Nation if you in you a G
 And the whole world influence by the B and the C
 Now tell the truth rappers you don't ball like me
 Cause I'm really from the gang ya'll is industry
 And while I'm servin up and comin young hustlas and gluckas
 Bangin for the hood causin havic and ruckus
 You niggas at the label kissin up like suckas
 And you're bitches so sit down when you piss mutherfuckas One thing I do know I ain't the uno
 Big puno rap sumo on pruno (you know)
 I'd like to thank the congregation
 In my affiliation to the Gangsta Nation
