## Band of Horses

And take a little walk when the worst is to come  
When I saw you looking like I never thought  
And say you're at a loss or forgot  
That words can do more than harm And the town is gonna talk,  
But these people do not  
See things through to the very minimal.  
But what's it gonna cost to be gone  
If we see you like I hoped we never would?  
My eyes can't look at you any other way,  
Any other way, any other way  
When eyes can't look at you any other way,  
Any other way, any other way So take it as a song or a lesson to learn  
And sometime soon be better than you were  
If you say you're gonna go, then be careful  
And watch how you treat every living soul  
My eyes can't look at you any other way,  
Any other way, any other way  
When eyes can't look at you any other way,  
Any other way, any other way
