

# We've Got a Big Mess On Our Hands

## The Academy Is...

(Ah ah ah ah ah ah ah ah)  
(Ah ah ah ah ah ah ah ah)I've got that lefty curse  
Where everything I do is flipped  
And awkwardly reversed  
You're seldom known and barely missed  
I always put myself  
In destructive situations  
I need oxygen, to be exposed  
Where no one goes, where no one's been  
When it all comes crashing...  
(Ah ah ah ah ah ah ah ah)  
Now we've got a big, big  
Mess on our hands tonight  
Sing it (yeah)  
(Ah ah ah ah ah ah ah ah)  
Now we've got a big, big  
Mess on our hands tonightSomebody get my phone  
So I can throw it in a public pool  
And watch it float  
And as it's slowly sinking down  
Become a social ghost  
Inside a box, cut at the top  
To let some light shine in  
To remind me what I've done  
And where I've been  
When it all comes crashing...  
(Ah ah ah ah ah ah ah ah)  
Now we've got a big, big  
Mess on our hands tonight  
Sing it (ow)  
(Ah ah ah ah ah ah ah ah)  
Now we've got a big, big, big, big  
Mess on our hands, on our handsDon't give in, don't give up, I'll be gone  
You don't look innocent enough  
We're way too young to be critics  
We won't miss anything at all  
Don't give in, don't give up  
I don't look innocent with this big, big mess on  
I'll say something else(Whoa oh oh)  
(Whoa oh oh)  
(Whoa oh oh oh)We've got a big, big mess  
Oh, we've got a big, big mess

Oh, we've got a big, big mess  
A big, big mess  
Now we've got a big, big mess  
A big, big mess  
Now kick it(Ah ah ah ah ah ah ah ah)  
Now we've got a big, big  
Mess on our hands tonight  
Sing it (ow)  
(Ah ah ah ah ah ah ah ah)  
Now we've got a big, big, big, big  
Mess on our hands, on our hands Don't give in, don't give up (we've got a big, big mess)  
I'll be gone (a big, big mess)  
I don't look innocent enough  
We're too young to be cynics (we've got a big, big mess on our hands)  
We won't wish any harm at all  
Don't give in, don't give up (we've got a big, big mess)  
No one looks innocent with this big big mess on our hands tonight  
(A big, big mess, we've got a big, big mess on our hands)When it all comes crashing...
