We've Got a Big Mess On Our Hands

The Academy Is...

(Ah ah ah ah ah ah ah ah)

(Ah ah ah ah ah ah ah)I've got that lefty curse
Where everything I do is flipped
And awkwardly reversed
You're seldom known and barely missed
I always put myself
In destructive situations
I need oxygen, to be exposed

Where no one goes, where no one's been When it all comes crashing...

(Ah ah ah ah ah ah ah)

Now we've got a big, big

Mess on our hands tonight

Sing it (yeah)

(Ah ah ah ah ah ah ah)

Now we've got a big, big

Mess on our hands tonightSomebody get my phone

So I can throw it in a public pool

And watch it float

And as it's slowly sinking down

Become a social ghost

Inside a box, cut at the top

To let some light shine in

To remind me what I've done

And where I've been

When it all comes crashing...

(Ah ah ah ah ah ah ah)

Now we've got a big, big

Mess on our hands tonight

Sing it (ow)

(Ah ah ah ah ah ah ah)

Now we've got a big, big, big, big

Mess on our hands, on our handsDon't give in, don't give up, I'll be gone

You don't look innocent enough

We're way too young to be critics

We won't miss anything at all

Don't give in, don't give up

I don't look innocent with this big, big mess on

I'll say something else(Whoa oh oh)

(Whoa oh oh)

(Whoa oh oh oh)We've got a big, big mess

Oh, we've got a big, big mess

Oh, we've got a big, big mess
A big, big mess
Now we've got a big, big mess
A big, big mess
Now kick it(Ah ah ah ah ah ah ah ah)
Now we've got a big, big
Mess on our hands tonight
Sing it (ow)

(Ah ah ah ah ah ah ah)

Now we've got a big, big, big, big

Mess on our hands, on our handsDon't give in, don't give up (we've got a big, big mess)

I'll be gone (a big, big mess)

I don't look innocent enough

We're too young to be cynics (we've got a big, big mess on our hands)

We won't wish any harm at all

Don't give in, don't give up (we've got a big, big mess)

No one looks innocent with this big big mess on our hands tonight

(A big, big mess, we've got a big, big mess on our hands) When it all comes crashing...
