

Be My Forever (feat. Ed Sheeran)

Christina Perri

We're on top of the world
We're on top of the world
Now darling, so don't let go
Can I call you mine?
So can I call you mine now, darling
For a whole life time?
My heart finally trusts my mind And I know somehow it's right
And, oh, we got time, yeah
So darling, just say you'll stay right by my side
And, oh, we got love, yeah
So darling, just swear you'll stand right by my side
We're on top of the world
We're on top of the world
Now darling, so don't let go
I've got something to say
You're perfect in every way
I'm gonna shout it out
I wanna tell you now
'Cause I know somehow it's right
And, oh, we got time, yeah So darling, just say you'll stay right by my side
And, oh, we got love, yeah
Darling, just swear you'll stand right by my side
Be my forever
Be my forever
Be my forever Be my forever
Be my forever
Be my forever
You're my bright blue sky
You're the sun in my eyes
Oh baby, you're my life You're the reason why
We're on top of the world
We're on top of the world
Now darling, so don't let go 1, 2, 3, 4
And, oh, we got time, yeah
We got love So darling, just swear you'll stay right by my side
Oh and we got love
Yeah
So darling, just swear you'll stay right by my side
Be my forever
Be my forever Be my forever
Be my forever
Be my forever

Be my forever
Will you love me forever?
I'll love you forever
Be my forever
Be my forever
Be my forever
Be my forever
