

Sleepwalking (feat. Linche)

[Photek](#)

Three months is a long time if you don't like it where you are
Three months is forever when the sun don't shine at all
You might be in love but you just breath to pass the time
But youre so lucky, so lucky to have it all
Someday you're gonna realize you've been sleepwalking through it all
you've been sleepwalking, get back home
Someday you're gonna realize you've been sleepwalking through it all
you've been sleepwalking through it all, get back home (sleepwalking through it
all)Sleepwalking through it all
sleepwalking through it all
sleepwalking through it all
sleepwalking through it all
Someday you're gonna realize
Someday you're gonna realize you've been sleepwalking through it all
you've been sleepwalking, get back home
Someday you're gonna realize you've been sleepwalking through it all
you've been sleepwalking through it all, get back home
Three months is a long time if you don't like it where you are
Three months is forever when the sun don't shine at all
You might be in love but you just breath to pass the time
But youre so lucky, so lucky to have it all
Someday you're gonna realize you've been sleepwalking through it all
you've been sleepwalking, get back home
Someday you're gonna realize you've been sleepwalking through it all
you've been sleepwalking through it all, sleepwalking through it allSleepwalking through it all
Sleepwalking through it all
Sleepwalking through it all
