

Two Takes It (feat. Carmen Castro)

Mr. Oizo

It takes two to make things go right.
It takes two to make it out of sight.
It takes two to make things go right.
It takes two to make it out of sight. I wanna come right now.
In your face, let me show you how.
Dont care if you think me to bold.
There is just no way the story cant be told.
Because i get stupid. and then i stay focussed.
Stay away from me if you cant take this.
Because i'm a winner and you're not a loser.
To be an MC is what i choose.
Lady's love me, girls adore me.
I mean even the one that never saw me like.
The way that i come right now.
The reason why men i dont know.
It takes two to make things go right.
It takes two to make it out of sight. It takes two to make things go right.
It takes two to make it out of sight.
