

# Ace of Hz (Tiësto Remix)

## Ladytron

Ace on an unbroken line  
Ace of hearts  
Mariner of the time  
Another ace of hearts  
Sweet possessions of cards  
That you take  
From each victoria box  
That you break You break the ace of hearts  
But break too much  
Hearts that cannot be refused  
On your watch  
Break the ace of hearts  
You should draw closer to me  
Ace of hearts  
Aces among the team  
Another ace of hearts  
Hearts to make yourself free  
Yes you will  
Make free of the cities  
Where time stands still  
You break the ace of hearts  
But break too much  
The bombs that cannot be defused  
By your touch  
Break the ace of hearts  
Break aces of hearts  
Break all aces of hearts...Break the ace of hearts  
Break aces of hearts  
Break all aces of hearts
