

Kid Ego

Extreme

(Come down)Hey kid, I'm talkin' to you
What am I supposed to do
You know that you're something special
That's something you already knewHey kid, got something to say
But you won't listen anyway
I am only tryin' to help you
But you get further every dayWe think your head is getting
Bigger and bigger and biggerHey kid, some good advice
To bring your britches down to size
Some modesty would suit you better
So why don't you give it a try
Hey kid ego
With your head above the clouds
Hey kid ego
Whoa, oh, Come downHey kid, you're Mr. IT
Inch by inch a little bit
Stepping on the little people
Like you don't even give a shitHey kid, you have it all
Standing proud on top of the world
Don't you know the bigger they come
The harder they must all fallWe think your head is getting
Bigger and bigger and biggerWe think you should be taught
Some manners, manners, manners
Hey kid, some good advice
To bring your britches down to size
Some modesty would suit you better
So why don't you give it a tryHey, kid ego
With your head above the clouds
Hey, kid ego
Whoa, oh, come downHey, Kid ego
With your head above the clouds
Hey, kid ego
Whoa, oh, come down!(SOLO)Hey kid, some good advice
To bring your britches down to size
Some modesty would suit you better
So why don't you give it a tryHey, Kid ego
With your head above the clouds
Hey, kid ego
Whoa, oh, come down!Hey, Kid ego
With your head above the clouds
Hey, kid ego
Whoa, oh, come down!Hey, Kid ego

With your head above the clouds

Hey, kid ego

Whoa, oh, come down!

Come down!

Come down!
