Story of My Life

One Direction

Written in these walls are the stories that I can't explain
I leave my heart open but it stays right here empty for daysShe told me in the morning she don't
feel the same about us in her bones

It seems to me that when I die these words will be written on my stoneAnd I'll be gone gone tonight

The ground beneath my feet is open wide

The way that I been holdin' on too tight

With nothing in between The story of my life I take her home

I drive all night to keep her warm and time

Is frozen (the story of, the story of)

The story of my life I give her hope

I spend her love until she's broke inside

The story of my life (the story of, the story of)

Written on these walls are the colors that I can't change

Leave my heart open but it stays right here in its cageI know that in the morning now I'll see us in the light upon a hill

Although I am broken, my heart is untamed stillAnd I'll be gone gone tonight

The fire beneath my feet is burning bright

The way that I been holdin' on so tight

With nothing in between The story of my life I take her home

I drive all night to keep her warm and time

Is frozen (the story of, the story of)

The story of my life I give her hope

I spend her love until she's broke inside

The story of my life (the story of, the story of)And I been waiting for this time to come around But baby running after you is like chasing the clouds

The story of my life I take her home

I drive all night to keep her warm and time

is frozen

The story of my life I give her hope (give her hope)

I spend her love until she's broke inside (until she's broke inside)

The story of my life (the story of, the story of)

The story of my life

The story of my life (the story of, the story of)

The story of my life
