

Eyez Closed (feat. John Legend & Kanye West)

Snoop Dogg, Kanye West & John Legend

And I can see it with my eyez closed, now
 Feelin' like my life froze
I'm about to hit the groundSippin' Yac while I elevate my mind state
 Hand by the burner in case a nigger try to violate
 Never goin' down, stay risin' like Andre
'Cause my corner back everythin' the Don sayLong Beach, yeah, I yell it out in every song
 Every day, every night till I'm carried home
 Forever known, big ballin', try it in the city
Then yellin' out 'swish' way before it in the netAnd I ain't knockin' niggas hustle, it's all a game
 And when they mention the best, will they call your name?
 There's only winners and losers, ain't no in between
 You either hit the hall of fame or you fall to shame
 And you ain't got to wonder where my place at
 Pepsi blue rags, soda pop, bitch, taste that
 One hit of the bong will blow ya face back
LMFAO to the bank, boy, ASAPAnd I can see it with my eyez closed, now
 Feelin' like my life froze
I'm about to hit the groundI do it 'cause I feel it, live it like I'm talkin'
 Flow so straight but won't a nigger try and walk it
 I'm so high, yeah, the weed, I'm still sparkin' it
My bitch bad and my diamonds still sparklin'Got the competition shakin' like Parkinson's
 Breads in the bag, call it good marketin'
 Life's a bitch but I don't cartigan
 That's what a word to the third letter
 Shots, shots, shots to me and my cheddar
 Run these emcee's, I'm tougher than leather
 Vietnamese eyez tighter than ever
Fuck with the Dogg, I'm bitin' whomever'Cause I don came from a long path
 Only God knows how long left the Dogg has
 'Cause like time we all pass
So if you ever taste success, just pray it's from a tall glassAnd I can see it with my eyez closed,
 now
 Feelin' like my life froze
I'm about to hit the groundI sold my soul to the devil, that's a crappy deal
 'Least it came with a few toys like a happy meal
 This game you could never win
 'Cause they love you then they hate you
Then they love you againGet away from me misery, get away from me loneliness
 Get away from me fake bitches, I can't take the phoniness
 Get away from me wack tracks, I can only make only hits
 I'm an only child lost in the world
Where did the lonely kids go when the bell ring?It's feelin' like hell rings, it's bringin' me back

down
It's checkin' my background, it's ironic what's happenin'
Imagine if I didn't have the ends
I wouldn't have so many imaginary friends I'm spaced out, Dogg, I'd be on that moon talk
Wonder if God asked Mike how to moon walk
I swear to mamma, wish me and my father talk more
I stopped visitin' around the time I was a sophomore I guess everythin' I hate about me I see in
him
And we ain't finna change, so we won't agree again
Till then I'll be pourin' out my soul
Just a few things I see with my eyez closed And I can see it with my eyez closed, now
Feelin' like my life froze
I'm about to hit the ground See it with my eyez closed
See it with my eyez closed
See it with my eyez closed
See it with my eyez closed
