

# That's What Love Is All About

[Michael Bolton](#)

I talk to you but its not the same as touchin' you  
And every time you whisper my name, I wanna  
run to you  
We'll be together, it won't be long, it won't be long  
But it feels like forever, and its hard to be strong  
Baby 'cause I'm missing you now and its drivin' me crazy  
How I'm needin' you baby, I'm missing you now  
Can't wait till I'm alone with you  
Show you how I'm missing you now  
Wishin' you were here by my side is all that I can do  
My arms around my pillow at night, they should be holdin' you  
Thought I was stronger, how could I know, how could I know  
I can't take this much longer, so hard on my soul
