

# Dance and Dense Denso

## Molotov

Brincos, jalones, codazos y empujones  
De caca recorde los famosos pisotones  
Ojos morados patada en los cojones  
En el slam entre matudos y pelones  
Santo Tomas de los pelos parados  
A narizazos su pie le dejaste madriado  
Cayo el pedo, cayo de mi lado  
Dance, dense denso todo empanizado  
Faster than the rayo  
We's the new freestylers a caballo  
Bone break dance intenso let go  
Dance and dense denso  
Dance, dance and dense denso  
Dance, dance and dense denso  
Dance, dance and dense denso  
Excuse me, if you hear me getting too loud  
It's that I get kind of crazy when you get me around a crowd  
Put a codo in you puto  
You get knocked out  
Come on, sugar foot  
You're gonna end up getting plowed  
Come on, get rowdy, come on, get bloody  
Come on, get sweaty, hit somebody  
If you got the balls come and take a chance  
And brace yourself? cause it's some dense ass dancing  
Faster than the rayo  
We' s the new freestylers, a caballo  
Bone break dance intenso let go  
Dance and dense, denso  
Dance, dance and dense, denso  
Dance, dance and dense, denso  
Dance, dance and dense, denso  
Dance, dance, dance, dance  
Dense denso, dense denso  
Dance, dance, dance, dance  
Dense denso, dense denso  
Dance, dance, dance, dance  
Dense denso, dense denso
