

Nothin' Like You

Dan + Shay

I remember when I first met you
Sippin coffee in a corner booth
you were twirlin your hair
and I just had to stare for a minute or two
i was laughin at your stack of books then you shot me that smile
hey beautiful girl in your own little world let me in it
you got all of my attention and you ain't even tryin
yeah you're my kind of different and I've never seen nothing
nothing like you
shades on spinning in the summer rain
dancin when there ain't no music
just the right kind of crazy baby
there's something bout you
rockin that rock and roll t shirt
when the party dressed up
you're just doing your thing
ain't nobody ever seen nothin like you
when you're wearing those worn out jeans
purple untied shoe strings you were light in the dark
and your stealin my heart like a gypsy i love the way that you kiss me in front of everybody
so baby come and kiss me ain't never seen nothin
nothin' like you
shades on spinin' in the summer rain dance when there ain't no music
just the right kind of crazy baby
theres something bout you
rockin' that rock and roll t shirt
when the party dressed up
youre just doin' your thing
ain't nobody ever seen nothing like you yeah...
nothin like you
shades on spinning in the summer rain
dancin when there ain't no music
nothin like you
rockin that rock and roll t shirt
when the party dressed up but
your just doin your thing
aint nobody ever seen
nothin like you.

Never seen never seen nothin like you
