

Shut Up (Radio Version)

Lil' Kim

(Chorus)

I heard she mad rich, I heard she dead broke, I heard
she sniffin' coke

SHUT UP BITCH!

Ayo Kim can spit, Man she don't write her shit, Nah
Biggie wrote her shit

SHUT UP BITCH!

I heard she goin to jail, I heard she out on bail, She
done f**ked up now

SHUT UP BITCH!

Why she got her nosed fixed, Why she got bigger tits,
Why is ya'll on my shit damn

SHUT UP BITCH!

(Verse 1)

Everybody talkin', all these haters hawkin'
Paparazzi stalkin' takin' pictures while I'm walkin'
Damn can't a bitch breathe, gimmie room please

I'm in the paper e'ry day if I piss or sneeze

I used to ride in a rental Lebaron

Now you can catch me in the SLR Mercedes McLaren

(Hey kim what up)

Gotta put the doors up, haters pick ya jaws up

I'm in the Trump International, 30 floors up (So high) You ain't payin' my bills, so you ain't
sayin' nothin' Ain't keepin' it real then you need to stop frontin'

You say you got this but we don't see nothin'

And people if you feel me get this whole shit jumpin'

(Get it jumpin' bitch)

Used to talk about the way I wore my clothes

Now every chick look like Lil' Kim in they videos

Now don't come around here with that Wendy Williams
shit

Get yo facts straight or shut up bitch

(Chorus)

I heard she mad rich, I heard she dead broke, I heard
she sniffin' coke

SHUT UP BITCH!

Ayo Kim can spit, Man she don't write her shit, Nah
Biggie wrote her shit

SHUT UP BITCH!

I heard she goin to jail, I heard she out on bail, She
done f**ked up now

SHUT UP BITCH!

Why she get her nosed fixed, Why she got bigger tits,
Why don't ya'll get off her shit
SHUT UP BITCH!(Verse 2)

I hate that people starin' 'cause this chick stay
appearin'

In somethin' made with german engineerin', ?
Homes with french doors and heated marble floors
Whores heated 'cause Momma back and hotter than before Big bank, hold rank like the late
Frank

I does what you can't, I'm everythin' that you ain't
I'm La Bella Don, the biggest bitch in the biz
So dont hate me nigga, it is what it is
You ain't payin' my bills, so you ain't sayin' nothin' Ain't keepin' it real then you need to stop
frontin'

You say you got this but we don't see nothin'
And people if you feel me get this whole shit jumpin'
So don't believe e'rythin' you hear
Just like a Q-Tip, niggas be all in ya ear, 365 days
of the year

Shit I done heard it all throughout my career
(What they say?)
(Chorus)

I heard she mad rich, I heard she dead broke, I heard
she sniffin' coke
SHUT UP BITCH!

Ayo Kim can spit, Man she don't write her shit, Nah
Biggie wrote her shit
SHUT UP BITCH!

I heard she goin to jail, I heard she out on bail, She
done f**ked up now
SHUT UP BITCH!

Why she get her nosed fixed, Why she got bigger tits,
Damn ya'll stay on her shit
SHUT UP BITCH!(Verse 3)

I just keep climbing up the ladder, ya'll never stop
my swagger

All this petty chitter-chatter only make my packets
fatter

Some peoples jobs just to talk about Lil' Kim
Let's face it, I'm a way of life for all of them
Tabloid magazines rate worst and best dressed
They got some nerve when the ones who do the ratings
look a mess

Star Jones don't like me, she cheap and I like the
best

Damn, it must feel good to Payless
You ain't payin' my bills, so you ain't sayin' nothin' Ain't keepin' it real then you need to stop
frontin'

You say you got this but we don't see nothin'

And people if you feel me get this whole shit jumpin'
You know niggas hate to see another nigga eat
Quick to put another niggas business in the street
I wish they'd shut the f**k up, damn good grief
You know your mouth's a cage for your tongue if you
just close your teeth(Chorus)

I heard she mad rich, I heard she dead broke, I heard
she sniffin' coke
SHUT UP BITCH!

Ayo Kim can spit, Man she don't write her shit, Nah
Biggie wrote her shit
SHUT UP BITCH!

I heard she goin to jail, I heard she out on bail, She
done f**ked up now
SHUT UP BITCH!

Why she get her nosed fixed, Why she got bigger tits,
Man get off my girls shit
SHUT UP BITCH!(Outro)

Haha I know it's killin' you bitches, I know it's
killin' you

She's back, oh my God
You had a voodoo doll and everything, worthless bitch
You just knew, 'Don't let her come back Jesus, please
don't let her come back'
But she's back bitches

Haha, okay look, just, on the count of three
Stop focusing on her and think about you for a second
Now ain't that depressing, ain't it depressin'
See, that's why don't nobody talk about you
Ain't nothin' to talk about

Get yourself a hobby bitch, learn how to make a quilt
or sumin'

Ha, is it really that you hate you?
That's what it is ain't it, just punch yourself in the
mouth then bitch
