

# Love Drunk

## Boys Like Girls

Top down in the summer sun  
The day we met was like a hit-and-run  
And I still taste it on my tongue  
The sky was burning up like fireworks  
You made me want you oh so bad it hurt  
But girl, in case you haven't heard  
I used to be love drunk but now I'm hung-over  
I'll love you forever, forever is over  
We used to kiss all night, now it's just a bar fight  
So don't call me crying, say hello to goodbye  
'Cause just one sip would make me sick  
I used to be love drunk but now I'm hung-over  
I'll love you forever but now it's over  
Hot sweat & blurry eyes  
We're spinning 'round a rollercoaster ride  
The world stuck in black & white  
You drove me crazy every time we touched  
Now I'm so broken that I can't get up  
Oh girl, you make me such a lush  
I used to be love drunk but now I'm hung-over  
I'll love you forever, forever is over  
We used to kiss all night, now it's just a bar fight  
So don't call me crying, say hello to goodbye  
'Cause just one sip would make me sick  
I used to be love drunk but now I'm hung-over  
I'll love you forever but now it's over  
All the time I wasted on you  
All the bullshit you put me through  
I'm checking into rehab 'cause everything that we had didn't mean a thing to you  
I used to be love drunk but now I'm hung-over  
I'll love you forever but now I'm sober  
I used to be love drunk but now I'm hung-over  
I'll love you forever, forever is over  
We used to kiss all night, now it's just a bar fight  
So don't call me crying, say hello to goodbye  
'Cause just one sip would make me sick  
I used to be love drunk but now I'm hung-over  
I'll love you forever but now it's over  
...  
Now it's over (still taste it on my tongue)  
Now it's over
