Love Drunk

Boys Like Girls

Top down in the summer sun
The day we met was like a hit-and-run

And I still taste it on my tongueThe sky was burning up like fireworks

You made me want you oh so bad it hurt

But girl, in case you haven't heardI used to be love drunk but now I'm hung-over

I'll love you forever, forever is over

We used to kiss all night, now it's just a bar fight

So don't call me crying, say hello to goodbye'Cause just one sip would make me sick I used to be love drunk but now I'm hung-over

I'll love you forever but now it's over

Hot sweat & blurry eyes

We're spinning 'round a rollercoaster ride

The world stuck in black & whiteYou drove me crazy every time we touched Now I'm so broken that I can't get up

Oh girl, you make me such a lushI used to be love drunk but now I'm hung-over I'll love you forever, forever is over

We used to kiss all night, now it's just a bar fight

So don't call me crying, say hello to goodbye'Cause just one sip would make me sick I used to be love drunk but now I'm hung-over

I'll love you forever but now it's overAll the time I wasted on you All the bullshit you put me through

I'm checking into rehab 'cause everything that we had didn't mean a thing to you I used to be love drunk but now I'm hung-over

I'll love you forever but now I'm soberI used to be love drunk but now I'm hung-over I'll love you forever, forever is over

We used to kiss all night, now it's just a bar fight

So don't call me crying, say hello to goodbye'Cause just one sip would make me sick I used to be love drunk but now I'm hung-over

I'll love you forever but now it's over
