

# Puddycat

Nadia Rose

[Verse 1]

Already hyper, where the zooties at?  
At first I was offended but I'm through with that  
I am the lion in this jungle full of puddycat's (meow)  
That's my flow, could you put it back where you found it?  
I'm so astounded, hella high but I'm grounded  
Smell the fear and I'm growling, see my prey and I'm pouncing[Pre-Chorus]  
Got my foot into the game, and I daded on toes  
I bring the fire, you can't match these flows, oh no  
They try to put me down but Nadia Rose, yeah, Nadia Rose

[Chorus]

Woah, my mind already lost that  
The line, I think you crossed that  
Don't tick me off, this ain't WhatsApp (ping)  
Over there, what's that? I thought I saw a puddycat  
What? Where? I thought I saw a puddycat, a puddycat  
Where? Over there, I thought I saw a puddycat  
Runnin' around with my clothes, runnin' around with my flows  
Runnin' around like she own shit, I'ma expose this puddycat[Verse 2]  
Meow, look, I never cat but you may find me on the prowl  
Grab your puddycat and please tap it proud  
Tap your puddycat and tap it proud  
But bein' a puddycat is not allowed  
I only have a puddycat that's for your mouth, rawr  
But right now, where's that puddycat that's runnin' around?

[Pre-Chorus]

Got my foot into the game, and I daded on toes  
I bring the fire, you can't match these flows, oh no  
They try to put me down but Nadia Rose, yeah, Nadia Rose[Chorus]

Woah, my mind already lost that  
The line, I think you crossed that  
Don't tick me off, this ain't WhatsApp (ping)  
Over there, what's that? I thought I saw a puddycat  
What? Where? I thought I saw a puddycat, a puddycat  
Where? Over there, I thought I saw a puddycat  
Runnin' around with my clothes, runnin' around with my flows  
Runnin' around like she own shit, I'ma expose this puddycat[Bridge]  
Here kitty kitty, here kitty kitty, here kitty kitty, here kitty kitty  
Here kitty kitty, here kitty kitty, I'ma expose this puddycat  
Here kitty kitty, here kitty kitty, here kitty kitty, here kitty kitty  
Here kitty kitty, here kitty kitty, I'ma expose this puddycat[Refrain]  
Here kitty kitty, come hither, here kitty kitty, come nearer

Here kitty kitty, come quicker, here kitty kitty, what's wrong?  
Here kitty kitty, don't run, here kitty kitty  
Here kitty kitty, come hither, here kitty kitty, come nearer  
Here kitty kitty, come quicker, here kitty kitty, what's wrong?  
Here kitty kitty, don't run[Outro]  
Puddycat, I thought I saw a puddycat, a puddycat  
Where? Over there, I thought I saw a puddycat  
Runnin' around with my clothes, runnin' around with my flows  
Runnin' around like she own shit (she don't own shit)  
I'ma expose this puddycat, meow
