If You Had My Love

Jennifer Lopez

If you had my love And I gave you all my trust Would you comfort me And if somehow you knew That your love would be untrue Would you lie to me And call me babyNow if I give you me This is how it's got to be First of all, I won't take you cheating on me Tell me who can I trust If I can't trust in you And I refuse to let you play me for a fool You said that we Could possibly Spend eternity See that's what you told me That's what you said But if you want me You have to be Fulfilling all my dreams If you really want me, babeIf you had my love And I gave you all my trust Would you comfort me And if somehow you knew That your love would be untrue Would you lie to me And call me baby You said you want my love And you've got to have it all But first, there are some things you need to know If you wanna live With all I have to give I need to feel true love or it's got to end, yeahI don't want you Trying to get with me And I end up unhappy I don't need the hurt And I don't need the pain So before I do Give myself to you I have to know the truth If I spend my life with youIf you had my love And I gave you all my trust

Would you comfort me And if somehow you knew That your love would be untrue Would you lie to me And call me babyIf you had my love And I gave you all my trust Would you comfort me And if somehow you knew That your love would be untrue Would you lie to me And call me babyIf you had my love And I gave you all my trust Would you comfort me And if somehow you knew That your love would be untrue Would you lie to me And call me baby If you had my love And I gave you all my trust Would you comfort me And if somehow you knew That your love would be untrue Would you lie to me And call me baby Song Discussions is protected by U.S. Patent 9401941.
