

# Hopelessly

[Rick Astley](#)

Astley/Fisher I walk the wire every night  
I can't decide between wrong and right  
I've lost control over the thing I do  
Cos I'm hopelessly falling in love with you Now the one who never took a chance  
Becomes a victim of circumstance  
I've lost my way, now I'm so confused  
Cos I'm hopelessly falling in love with you  
All my dreams are far behind me  
They don't matter any more  
I don't care about the things I could lose  
Cos I'm hopelessly falling in love with you Now the one who always played it safe  
Becomes another who's lost his way  
I can't believe it, though I know it's true  
Cos I'm hopelessly falling in love with you  
And all my dreams begin to blind me  
And I was so confused  
And I don't care about the things I could lose  
Cos I'm hopelessly falling in love with you I'm not gonna fight it, I'm gonna choose  
To hopelessly fall, oh yeah  
You know I'll hopelessly fall in love, with you
