

# Meet You There

## 5 Seconds of Summer

Every moment spent, I wish I was with you  
And every night I slept, I dreamt I was with you  
No matter where you go, you know I'd wait for you  
I would break in bed, if you wanted me to So you go your way and I'll go mine  
And if we're meant to, I'll meet you there  
We can't speed up the hands of time  
But if we're meant to, I'll meet you there  
I'll meet you there  
When it's physical, I can't keep track of days  
But the emotional, is more than we can take  
Oh, I'm just waiting for, waiting for you  
To tell you that, tell you that you're  
Oh, I'd keep waiting for, waiting for you  
If you wanted me to So you go your way and I'll go mine  
And if we're meant to, I'll meet you there  
We can't speed up the hands of time  
But if we're meant to, lo-lo-lo-lo-lo-lo-lo-love I'll meet you there  
Lo-lo-lo-lo-lo-lo-lo-love, I'll meet you there  
Lo-lo-lo-lo-lo-lo-lo-love This time and next time, you know I'll meet you there  
This time and next time, you know I'll meet you there  
This time and next time, you know I'll meet you there  
This time and next time, you know I'll meet you there  
So you go your way and I'll go mine  
And if we're meant to, I'll meet you there  
We can't speed up the hands of time  
But if we're meant to, lo-lo-lo-lo-lo-lo-lo-love, I'll meet you there  
Lo-lo-lo-lo-lo-lo-lo-love, I'll meet you there  
Lo-lo-lo-lo-lo-lo-lo-love, I'll meet you there Tell me what's on, on my mind, if this is it  
Lo-lo-lo-lo-lo-lo-lo-love
