Charlie Ain't Home

ZZ Ward

Golden honey drippin' from this house Black stilettos on a leather couch Jeans stickin' tight like glue Soakin' wet, drink it up like juice Come on, come on, come on Come on, come onLay me down on sheets of cotton, whoa, whoa You make me feel like I could fly, whoa, whoa Headlights on the bedpost, we ain't stoppin', no, no If you forgot, I'll tell you why 'Cause Charlie ain't homeOoh, ooh, Charlie ain't home Ooh, ooh, Charlie ain't home I dig my fingertips into your back Till the pictures break and the floorboards crack Oh, my tongue is a silver key Swimmin' deep in a sinner's sea Come on, come on, come on Come on, come on come on Lay me down on sheets of cotton, whoa, whoa You make me feel like I could fly, whoa, whoa Headlights on the bedpost, we ain't stoppin', no, no If you forgot, I'll tell you why 'Cause Charlie ain't homeOoh, ooh, Charlie ain't home Ooh, ooh, Charlie ain't homeOh, Charlie, Charlie Please let that boy go, darlin' It wasn't his fault, it was mine Oh. Charlie, Charlie He didn't know no better I should have listened, you were right Lay me down on sheets of cotton, whoa, whoa You make me feel like I could fly Headlights on the bedpost, we ain't stoppin' If you forgot, I'll tell you why 'Cause Charlie ain't homeOoh, ooh, Charlie ain't home Ooh, ooh, Charlie ain't home
