

# So High

## Ski Mask the Slump God

(A Lau on the beat)  
If so, let me know  
You're so high, high You're so high  
Let me know, how high  
We can go high, high  
We can go high, high We can go high, high  
We can soar, how high?  
Let you know how high  
If you hit my phone, yah, yah  
But don't hit my phone, yah, yah  
Bitch just leave me 'lone, yah, yah  
I've been in the zone, yah, yah  
For the ones that know, yah, yah, yah  
If so, let me know  
If so, let me know  
If so, let me know  
If so You're so high  
Let me know, how high  
We can go high, high  
We can go high, high  
We can go high, high  
We can soar, how high?  
Let you know how high  
If you hit my phone, yah, yah  
But don't hit my phone, yah, yah  
Bitch just leave me 'lone, yah, yah  
I've been in the zone, yah, yah  
For the ones that know, yah, yah, yah Let me know  
Let me know  
Let me know
