

# Only With You

CYN

I lose in my mind that I don't see anymore  
'Cause you're not with me all the time  
Looking up at stars, I need you right at the door  
Instead of racing through my mind I didn't not know yet  
Just how I would get  
Distance makes me wonder  
Playing this game  
Of matter and space  
Say it will bring us closer  
I don't want anything to do with anyone but you  
Only with you  
Anything to do with anyone but you, you  
I don't want anything to do with anyone but you  
Anyone but...  
Only with you  
Anything to do with anyone but you, you  
I don't want anything to do with anyone but you  
Only with you  
Anything to do with anyone but you, you  
I don't want anything to do with anyone but you  
Anyone but...  
Only with you  
Anything to do with anyone but you, you  
I don't want...  
Favorite things of mine that I can't hold in my hands  
'Cause of the distance we've made  
I know you have to do this and I have to do that  
So we compromise our I do not regret  
The way that I am  
Distance makes me wonder  
Playing this game  
Of matter and space  
Say it will bring us closer I don't want anything to do with anyone but you  
Only with you  
Anything to do with anyone but you, you  
I don't want anything to do with anyone but you  
Anyone but...  
Only with you  
Anything to do with anyone but you, you  
I don't want anything to do with anyone but you  
Only with you  
Anything to do with anyone but you, you

I don't want anything to do with anyone but you  
Anyone but...  
Only with you  
Anything to do with anyone but you, you  
I don't want...I don't want...  
I don't want...  
I don't want...  
I don't want...Anything to do with anyone but you  
Only with you  
Anything to do with anyone but you, you  
I don't want anything to do with anyone but you  
Anyone but...  
Only with you  
Anything to do with anyone but you, you  
Anyone but you  
I don't want anything to do with anyone but you  
Only with you  
Anything to do with anyone but you, you  
Anyone but you  
I don't want anything to do with anyone but you  
Anyone but you  
Only with you  
Anything to do with anyone but you, you  
Anyone but you  
I don't want...Anyone but you  
Anyone but you
