

# Belong

## Cary Brothers

Wake up lonely with you by my side  
One more night it doesn't feel  
There are movies playing in your eyes  
You dream of our fortunes But you're wrong  
I don't belong to you The moon is the only friend I have outside  
One more drink and I'll be healed  
I told you the words and then knew it was a lie  
I wish I could offer an appeal  
You're wrong  
I don't belong  
You're wrong  
I don't belong to you What I'd give for that first night  
When you were mine You were mine  
Tried with all that I have to keep you alive  
I wasn't taught this way  
With a thousand things to say  
I was born with a broken heart  
What I'd give for that first night  
When you were mine  
You were mine  
Thought you were mine  
So I'll put this cigarette to bed  
Pull some sheets from off your side  
I put my arm around you safe in the night  
Still dreaming of fortune  
But you're wrong  
I don't belong  
You're wrong  
I don't belong  
I don't belong
