

# Cellophane

**FKA twigs**

Didn't I do it for you?  
Why don't I do it for you?  
Why won't you do it for me  
When all I do is for you? They want to see us, want to see us alone  
They want to see us, want to see us apart  
They want to see us, want to see us alone  
They want to see us, want to see us apart And I, just want to feel you're there  
And I don't want to have to share our love  
I try, but I get overwhelmed  
When you're gone I have no one to tell  
And I, just want to feel you're there  
And I don't want to have to share our love  
I try but I get overwhelmed  
All wrapped in cellophane, the feelings that we had  
And didn't I do it for you?  
Why don't I do it for you?  
Why won't you do it for me  
When all I do is for you?  
And didn't I do it for you?  
Why won't I do it for you?  
Why won't you do it for me  
When all I do is for you? But I, just want to feel you're there  
And I don't want to have to share our love  
I try but I get overwhelmed  
When you're gone, I have no one to tell  
They're waiting  
They're watching  
They're watching us  
They're hating  
They're waiting  
And hoping  
I'm not enough.
